From the Grand Knight
December 2022

Happy 3rd Birthday to our United States Space Force on 20 December.

Pearl Harbor Day: On 7 December we remember and pay tribute to those WWII Veterans who served at Pearl Harbor. If there is an event in your community, have your Chapter attend and represent NCOA. This may be an opportunity to meet or present a WWII Medallion to a Veteran or family member who has not received one.

Once again, this month we are in the Holiday Season, a time to be with family and friends. We are all fortunate to have the things we have, but please think about and consider those who are less fortunate. Think about volunteering at your local homeless shelter as a Chapter, individual, or family event. Also think about those currently serving in our military away from home, many for the first time in their lives. And especially keep those who are deployed in harm's way, in your prayers. Remember their families who anxiously await their safe return.

To all Knights and their families, I want to wish you all a very happy and safe holiday season.

Strength in Unity™
