WHEREAS our military is tasked with protecting the United States of America at home and abroad;
and

WHEREAS the purpose of law enforcement is to protect our local communities as well as enforce the laws enacted by national, state, county, and municipal entities, and

WHEREAS many law enforcement personnel are veterans of the armed forces; and

WHEREAS law enforcement has much the same mission as our armed forces, just that the venue is different; and

WHEREAS there has been a significant increased threat to law enforcement personnel across these United States; and

WHEREAS there has been a recent increase of local governments to show signs of support for our law enforcement; now

THEREFORE, LET IT BE RESOLVED that the Non Commissioned Officers Association, as a veteran service organization, will officially provide our unconditional support for our brothers and sisters, whether they have served in the armed forces or not, based on our common values of service to our citizenry.
